ACCOMMODATION AND FLIGHTS:

Students are responsible for booking their accommodation and flights.

We offer discounted rooms at G.V Residence Itaewon, conveniently located within a 10-minute walk from our academy. Average price 88,000 KRW per night.

Accommodation in Gangnam: Large apartment - price average 110,000 KRW per night.

We can assist with flight bookings through our Airline Partners, including options with higher baggage allowance for product transportation or shopping purposes.

Airport Pick up:

Airport pick up is included.

Pick up from Incheon International Airport or Gimpo Airport Seoul, South Korea.

We are 1 hour 30 minutes away

VISA SUPPORT - CATEGORY C-3-1

(C-3-1 Short Term General (Conference, Competition, Training))

Q: Do you provide visa support for students?

A: Yes, we offer Visa Support for students under Category C-3-1 (Short Term General Visa).

Requirements include:

- Booking the class and paying the deposit.**
- Providing proof of hotel booking and flight tickets.**
- Maintaining a bank balance of at least \$3000 USD (in the student's, spouse's, or parent's account).**

Additional requirements may apply for students from certain countries with complex visa processing.

How does accreditation work for different regions?

USA: License requirements vary across states, ranging from 800 to 1500 hours. Foreign certifications cannot be immediately utilized for employment in the USA. Each individual must convert their certification and undertake the respective state's license examination. Certain states may allow conversion of Diploma hours. Military wives or Military nurses have exceptions.

Canada: Our certificates and Diplomas enable students to start a business, work and acquire insurance within Canada.

Europe: Our certificates and Diplomas enable students to start a business, work and acquire insurance within Europe.

UAE: Registration with the Ministry of Health is mandatory for practicing in the UAE.

Australia: Students require a minimum Level 3 training or apprenticeship until fully licensed.

East Asia & Southeast Asia: Our certificates and Diplomas facilitate business and work opportunities, as well as insurance acquisition in Asian countries.

South Asia: Our certificates and Diplomas enable students to start a business, work and acquire insurance in India, Bangladesh, Sri Lanka, Pakistan, Nepal etc.

Latin America and Africa: Our certificates and Diplomas enable students to start a business, work and acquire insurance.

U.K: Our certificates and Diplomas enable students to start a business, work and acquire insurance in the UK.
