

Frequently Asked Questions:

1. Accreditation

Q: Is your academy accredited?

A: Yes, we are an approved Beauty and Aesthetics training academy accredited by the Ministry of Education. Additionally, we serve as a national license preparation and testing center. Our certificates and Diplomas hold validity worldwide.

Q: How does accreditation work for different regions?

USA: License requirements vary across states, ranging from 800 to 1500 hours. Foreign certifications cannot be immediately utilized for employment in the USA.

Each individual must convert their certification and undertake the respective state's license examination. Certain states may allow conversion of Diploma hours. Military wives or nurses have exceptions.

Canada: Our certificates and Diplomas enable students to start a business, work and acquire insurance within Canada.

Europe: Our certificates and Diplomas enable students to start a business, work and acquire insurance within Europe.

UAE: Registration with the Ministry of Health is mandatory for practicing in the UAE.

Australia: Students require a minimum Level 3 training or apprenticeship until fully licensed.

East Asia & Southeast Asia: Our certificates and Diplomas facilitate business and work opportunities, as well as insurance acquisition in Asian countries.

South Asia: Our certificates and Diplomas enable students to start a business, work and acquire insurance in India, Bangladesh, Sri Lanka, Pakistan, Nepal etc.

Latin America and Africa: Our certificates and Diplomas enable students to start a business, work and acquire insurance.
